about Opulence Gallery

Opulence Gallery is a contemporary multi-use space for social events, life celebrations, corporate/community meetings, and entrepreneurial pop-ups. Our venue was created to bring communities together to create memories, make connections and celebrate milestones.

about the owners

This family-owned business is comprised of four women with many years of corporate and entrepreneurial experience. Together they've created Opulence Gallery, providing a professional experience and upscale venue that reflects quality.

Venue & Bar FAQs

How do I hold my date? When is the total payment due?

All events at our Orland Park location require a non-refundable reservation fee of \$1,000 to reserve date. The remaining balance is divided into installment payments, with final payment due 30 days prior to event date.

Can I pay my final balance on the day of my event?

No, venue rental and any add-ons must be paid in full at least 30 days prior to event date.

What form of payments do you accept?

Your first payment can be a personal check, credit or debit card, cash, certified check, money order, wire transfer, or Zelle. After the initial payment, a 3% processing fee applies to all credit or debit card payments. We strongly recommend making payments via Zelle as it is fast, easy, and there are no service fees. Credit or debit card payments and personal checks are not accepted within 31 days prior of the event date (this also applies to first payments falling within this timeline). Your final payment must be paid by cash, certified check, money order, wire transfer, or Zelle.

Do you have parking?

Yes! There is plenty of free parking in close proximity to the venue.

Can I bring in my own vendors?

Yes! Absolutely. We have an open vendor policy, with the exception of the bar staff and security officer. The use of the in-house bar staff and security are required. Opulence Gallery must be informed in advance of who your vendors are.

Are there specific policies for food vendors/caterers?

All food vendors/caterers **must** be certified and in compliance with the city of Orland Park, following catering and food regulations. Catering vendors must be **licensed and insured**. A completed food vendor/caterer form, proof of license and proof of insurance must be provided to Opulence Gallery 30 days prior to event.

Are there specific policies for food vendors/caterers?

Opulence Gallery must be notified of all vendors that will provide onsite support, paid performances, or deliveries for your event. A completed vendor form is required for each vendor/company and may require proof of insurance or a waiver.

Venue & Bar FAQs (cont.)

I am bringing/renting centerpieces, linens, and/or chairs. Is this allowed? Will this change the cost of venue rental?

You are more than welcome to provide your own decor options. Use of venue provided amenities are NOT required. However, this will NOT change the price of venue rental or packages.

Do you all allow cash bar or self-serving? Do I have to get a bar package?

An OG bar package is required for insurance and liability purposes. If you would like alcohol at your event, a bar package must be purchased. Self-serving is NOT allowed. Contact an OG team member to discuss cash bar options.

Do I get extra time for set-up and breakdown in addition to the time I purchased?

No, your rental time INCLUDES your set-up and breakdown. When booking, please ensure you book enough time to allow for your vendor delivery, event set-up and breakdown. Early deliveries are not allowed. Any event that goes beyond scheduled rental time risk deduction of security deposit.

Do you create custom cocktails? Is this an extra price?

Yes, we can create a custom cocktail menu. Our Opulence Bar package includes custom cocktails.

Are your bartenders licensed and insured?

Yes, our bartenders are BASSET certified and insured by the state of Illinois.

I want special accommodations (additional hours or staff, etc.)

This can be arranged through a consultation with an OG team member. Note: Special accommodations may add to service pricing.
